A Little About Us	103

An aerial photograph of a snowy mountain landscape. A ski lift is visible, with a cabin suspended from a cable. The terrain is covered in snow, and there are some evergreen trees. The image is framed by a white border.

PowerPoint is a
CANVAS

and each slide should
be a masterpiece!

Introduction

If you are good at designing slides, we'll make you even better. We want your slides to look as if they have been designed by a professional designer after charging a few hundred dollars from you. And the slides were in no way created in PowerPoint, but Photoshop, Adobe Illustrator, or Corel Draw.

But in fact, they were designed free of cost by none other than you in PowerPoint! That is the mission of this eBook- to turn you into a PowerPoint Picasso!

We'll teach you 10 hacks that'll make your slides look like a masterpiece and make your audience ogle at your slides and your design skills! Time to open the PowerPoint canvas and bring out the Picasso in you:
